Forgotten Memories

From the first to last day of school, events occur, become a memory, and are often forgotten. An athlete will always remember a state championship but may forget the less significant team memories. This year, seniors reflected on past years as freshmen and created their first high school memories. Together Southern shared success of initiating the JROTC program, sending a finalist to the national science fair and the robotics team to the world competition, as well as celebrating golf, cross country, track, and band state championships. These publicized accomplishments as well as each Ram's personal achievements created a memorable 2005-2006 school year.

Student Life

Memories of Candyland, leggings paired with boots and skirts, and break-ups and make-ups will mark the 2005-2006 school year. The fall consisted of a Cinderella-themed Homecoming, another eventful Autumn Glory, and the start of evolving fashions. As the days grew notoriously colder, shifts in friendship and romance accompanied the seasonal change. Winterball held surprises for students including a live band and a visit from Santa Claus. Though winter began early, spring did not show signs of permanence until the middle of second semester. The students pulled out the winter blues and fell headlong into warm-weather activities as the school year came to a close.

Being ourselves in our designer clothes

Staff Writer: Amanda Perry

Trends change as seasons do. This year we started the frenzy of ripped jeans, cropped shirts over long shirts, and ballerina slippers. Next year, it may be duct tape and combat boots. One thing is for sure, next season there will be a new style people will go out and spend for. Of course, there are those that do not follow what is "in" and do their own thing. Instead of following the stars on fashion, they stick to what's been good to them. Holly Logsdon states, "I like to keep updated with all the new fashions and accessories." On the other hand, Carolyn McGehee said, "I just dress to have fun. I don't follow a particular trend."

The students of Southern High School danced the night away at the 2005 Winterball dance. The dance was sponsored by the senior class and had a Christmas theme. The decorations included a Christmas tree, lights, and wrapping paper with ribbons on the walls. A local band, *Arson D'ecor*, was invited to play this year at the dance. This was the first time a band played for the students at winterball. It was a time for all the students to enjoy themselves and join in on the fun. Many people made plans to eat or hang out after the dance with their friends. Overall, the dance turned out great, and everyone had a fantastic time.

Candy takes dancers back to a favorite childhood game

The theme of this year's Winter Homecoming takes us back to one of our favorite childhood games -- Candyland. This dance sponsored by the Student Council, was filled with many sweet treats from the candy necklaces to the candy filled bowls. Students accentuate muscle and brains through arduous activities

JROTC, Gym, General Health, and Allied Health classes all focus on the physical aspects of the human body. Allied Health and General Health's curriculum both provide factual information of the body's parts and functions, while gym class puts physical abilities into action. JROTC, the newest class offered, has provided an opportunity for many of Southern's students to study while gaining leadership qualities. "JROTC has been a very positive experience. Building the Concrete Pad in Life

Establishing a foundation for their futures, the building trades classes prepare participating students for life after high school. In Mr. Bowser's carpentry class, students put their knowledge from their textbooks into real life application by building a house during the school days. Mr. Bach, the masonry teacher, teaches the fundamentals of masonry, which includes laying bricks, mixing cement, and forming walls. Working with a drill press, a welder, and a lathe, Mr. Liller's machine tool class trains students in metal trades to enter the work field. With the importance of a well maintained vehicle, Mr. Powers instructs his students in the basic fundamentals of a running vehicle by repairing cars that belong to teachers and students of Southern High. No matter what these students pursue in the future, they will always have the valuable skills to complete a job well done.

2. Derek Updegraff and Brandon McWilliams use the drill press to form a hole in the steel pipe.

4. Patrick Vanderbilt watches Troy Townsend work under the hood on the alternator that recharges the battery.

Southern's Marching Band Starts and Ends on a 'Good Note'

Staff Writer: Amber Sachs

Once again this year, the Southern Garrett Marching Band had a successful season performing their field show **Cirque du Soleil: La Nouba**. The name *La Nouba* originates from the French phrase "Faire La Nouba," which means to party, to live it up. After winning first place at Preston, Northern, South Hagerstown, the band achieved an exhibition score of 78.87 here at Southern. They moved on to compete at Musselman for Chapter 13 and won first place, allowing them to compete in the ACCs at Scranton.

After marching season, band members have the option to join concert band and stage band. Concert band performs at basketball games and even performs at Cuppet and Weeks Nursing Home. Winter percussion and winter guard is also an option for the drumline and color guard.

Seniors

The end of the year once again crept upon the 2006 graduating class. After the May 13 prom and road trip themed after-prom, June 4 graduation was only a few weeks away. The seniors were privileged to receive funding from the Gear-up program, which enabled the class to take extra field trips and receive scholarships. While the prospects of a looming future overshadowed some seniors' excitement, most seniors could not wait for their diplomas.

May 13, 2006 is a day that neither Jeremy Glotfelty nor Chelsea Wassell will ever forget as they were named the 2006 prom King and Queen. Before the presentation of diplomas, the Danforth Award was presented by Mr. Bill Grant to Elizabeth Thayer and James Naylor. Graduates spent the day looking back on their years at Southern High School. "I will remember my first year of marching band," said Tori Insley. But they also looked forward to changes in their lives. "I plan to be in a band and play as many shows as possible," said Brenden Stephens.

Whatever the dream, our SHS grads can be sure their alma mater has prepared them well for the road ahead.

Dear Southern Garrett High School Graduates,

Congratulations on arriving at one of the most important times of your life. You now join a select group of individuals who can be called a high school graduate! As a member of our school's fifty-fourth class to complete the requirements of secondary education you are now prepared for life's next great challenge. I am confident that as you reflect on the past thirteen years each of you will agree the time seemed like only a fleeting moment. For most of you the scary first day of kindergarten is still entrenched in your memories and will always remain.

Each of this year's graduates has experienced many rewards and obstacles that will remain long after this day as a part of your education. While many students seem to breeze through the expectations of high school demands, many others have "burned the midnight oil" to receive the prized reward of graduation. During the past four years many historical events have been a part of our lives. The continued war on terrorism in Iraq has changed the lives of many past graduates and unfortunately ended the lives of over two thousand of America's bravest. We watched in agony as twelve families involved in the Sago Mine disaster lost love ones. Our hearts poured out to the victims of Hurricane Katrina and the SGHS family sent approximately three thousand dollars to those in need. Surely all of our lives have been changed forever by the events we shared.

On a positive note we came together as a school to rejoice in thrills of success. The marching band won a state championship in 2005 once again restoring the legacy created many years ago. Several of you were instrumental. Likewise many of the class of 2006 helped to win championships ranging from a state level to conference honors as members of teams during the past four years. We looked on with pride as the JROTC program presented the colors at many activities and assemblies signifying its emergence as a new program offered to our students.

The pride you should be feeling on this day will only be matched by very few events that remain in you life. Virtually no one fails to look back on their graduation day as one of the happiest and saddest days they ever experience. Happy because thirteen years of hard work has paid the ultimate dividend to those who have persevered, but sad because it will be the last time all of you will ever be together. Thank you for four wonderful years adding to the legacy of our school. Always remember that wherever your journey takes you --- you are always -- **The Best!**

After Prom featured the theme "All American Road Trip," and it was quite the adventure. There were fun games and activities in each city. Students could play board games in New York or be a high roller in Vegas. The Pit Crew Challenge in Daytona tested the skills of participants. Arts and crafts made Aspen a place to relax, while jazz music and fake tattoos made New Orleans a must-see. Throughout the night, the Roadkill Cafe provided food with high counts of sugar that helped keep students awake. Best of all, all drivers arrived safely home in the morning, making Prom night a stunning success.

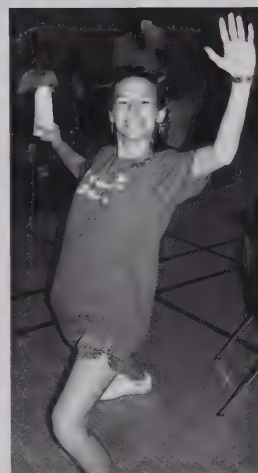

"Don't ever take life too seriously. You'll never escape it alive." -Elbert Hubbard

Sports

Throughout the fall, winter, and spring sports seasons, whether the teams finished their season as state champions or with no ranking at all, they still upheld and displayed that Ram pride! The girls' cross country team and the wrestling team qualified for state championships, while other teams almost made the cut. Even though many Southern athletes suffered from injuries, no Southern athlete let anything prevent him from putting his competitors to the test!

BREAKING NEW GROUND

Staff Writer: Alan Gnegy &
Clarissa Blamble

Last year was the first year the boys soccer team to made it past the first round of the playoffs. This year, the Rams defeated Clear Spring in the first round of the play-offs 2-1 and moved on to the second round. They were matched up against our arch rival and number two team in the area, Northern High School. Our boys beat Northern 2-1 and went on to set another boys soccer record. They played Beall and unfortunately lost and were knocked out of the playoffs. Southern boys will continue to break new ground in years to come.

The Lady Rams soccer team started off another season with a new coach, Susan Clark, and a young varsity team. Made up of mostly sophomores, the girls were challenged to fill the shoes of the graduated seniors before them. They gave it their best shot, kicking off the season with high hopes. "This year was very fun although we had a lot of ups and downs. We ended on a positive note," commented Ashley Metcalfe. Ashley is a senior this year and also one of the captains on the team. Of the thirty-six girls on both JV and Varsity, twenty-eight girls were sophomores and juniors. For the JV team, the girls had a good season. "It was rough, but we made it through," remarked freshman Kerry Conroy. As for next year, all the girls are looking forward to a better season.

The Southern Rams volleyball teams once again came out with a great season. The varsity team ended their season with a 13-3 record after losing to Boonsboro in the semi-finals. This year, the team went to Thomas Johnson High School and competed in a fifteen team tournament.

The junior varsity team ended with a perfect season for the first time in Southern's junior varsity history. With only four returning players, the JV team had to step up and work extra hard to prove that they had what it takes.

Coach Newton always says, "Tradition will never graduate," and that is surely true for the Southern volleyball team.

This year's cross country team had an excellent season. As a team, the girls qualified to go to states. Rachel Skipper felt that the team was closer than ever this year which "made it fun." The boys team sent two runners to state: Derek Upperman and Mike McConnell. Derek was the first to place all-state for the boys since 1997. Coach Beeman said, "Even though our record was below .500, we still had a successful season. All of the boys' times improved throughout the season." Coach Cosner said "We will be losing five seniors and this group of girls will be hard to replace. I had more fun coaching this season than I have ever had before. This year was very special for me because I had two daughters on my team."

The Southern girls basketball team had an exceptional season this year. They finished with a record of 22-2, the second best record in school history. The girls defeated Fort Hill to win the WMIL for the sixth year in a row. They also brought home the title of "Area's Best." The girls made it to the sectional finals and they won the Maple City Classic. This year's seniors are truly irreplaceable. Kendra McLaughlin was M.V.P. and leading scorer, Sarah Cosner was best defensive player, and Caitlyn Brown was leading rebounder. Coach Bowman states, "We couldn't have done it without the seniors. GRAND SLAM

Staff Writers: Britni Brenneman & Meghan Flinn

Southern's 2006 baseball team slammed its way to the top. With homerun hitters, precise pitchers, and fierce fielders, the Varsity and JV teams were unstoppable. Both teams had winning seasons, and the Varsity team played into the second round of playoffs. The players had fun on and off the field. JV player Nick Tressler stated, "I will remember Derick DeWitt singing in the locker room and on the bus." The players moving from JV to Varsity next year will make Southern proud.

The Lady Rams Softball team had a good year. They had their ups and downs, but overall the ladies had a great season. They enjoyed each other's company and are excited to return next year. "For a young team I feel we did OK. Hopefully the girls learned from this season. We will really miss our seniors next year and wish them the best of luck!" said Coach Mancuso.

Fast-pitch paradox:
"The suspense is

-Oscar Wilde

Clarissa Blamble waits patiently in the cold weather for the pitch in the home game against Petersburg.

Brook Baier stands strong in the batter's box as the pitch is a high ball.

Nicole Harvey keeps eye contact with the ball as the pitch is delivered over the plate.

SWEEPING THE COURT

Staff Writers: Cody Brack and Will Biser

The 2006 tennis team set the bar for success. Although the Southern tennis team's season started slowly, the team rose to become a dominant force in the region. Both the men's and women's teams achieved a hard earned winning season. Coach Riley believed, "The tennis season exemplified the drive, skill and determination of this years team." This year's tennis team will be a tough act to follow for future teams.

People

In and out of the classroom, Southern students are sure to make each moment memorable. Our annual September 11th service unifies the student body in a solemn atmosphere, while the Sixth Man Club cheering section gives the students a chance to support Southern uninhibited and alive. Whether attending a pep rally or finishing a math problem, the Rams represent our school well.

Community

Business logos line the fields, courts, newspapers and yearbook pages. Relatives, friends, and neighbors find change for every raffle, cookie dough sale, and car wash. Without the community, our extra-curricular programs would certainly suffer. Our sponsors deserve our recognition and thanks!

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.

- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.

- 22 Rita hits the Louisiana coast and heads for Texas.

- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.
